

FASKEN

> **EDGE**

OUR DIGITAL COLLABORATION PLATFORM MAKES IT EASIER FOR CLIENTS AND FASKEN TO MANAGE THEIR LEGAL MATTERS.

Our client portal keeps you connected to your Fasken legal team on matter-specific workspaces. It lets you check progress on your matters and provide input securely, in one unified space, anytime and on the move.

With our client portal, you can:

Collaborate

Connect with your Fasken legal team, share information and calendars in one place.

Share

Share, store, download and comment on documents.

Manage

Manage, assign and track tasks and calendar items across team members.

Automate

Generate automated templates.

Our client portal uses trusted technology and is:

Secure

Cloud-based

Mobile

FASKEN

Content modules can be customized in each workspace and can include these and other modules:
